56STG16IN-10	16" NO STOCK	10.1

» Made from AR500 hardened steel, a high-carbon steel engineered to withstand repeated impact. Bullets will deflect or vaporize on contact.

» Suitable for calibers ranging from 9mm up to .30-06, including .380, .45 ACP, .357 Magnum, 5.56×45mm, .308 Winchester, and similar calibers.

» Safe for use with handguns (minimum 10 yards) and rifles (minimum 100 yards). These steel targets ("GONGS") are ideal for pistol calibers such as 9mm and .380, as well as most common rifle calibers up to .308 Winchester.

BOUNCE BACK HUMAN TARGET

56STF02HC

FEATURES

Automatically returns upright after being shot

The Bounce Back Target provides simple, satisfying recreational shooting practice in the backyard or any safe shooting area. Secure it to the ground using the four included stakes, or mount it to an elevated wooden base using the pre-drilled holes in the metal frame (screws not included). Its heavy-duty spring mechanism ensures the target snaps back upright immediately after being hit.

- » Includes four ground stakes and mounting holes for stable installation
- » Durable welded steel construction with a high-visibility orange target
- » Lightweight and easy to carry in a backpack
- » Ideal for air rifles and air pistols—a fun, reliable way to practice your shooting skills

METALTARGETS

56STS01E
